授業概要	Welcome to a new world of discussion! You have spent many years studying English structures, and last year you had your first taste of oral English. This year, we take everything you have learned and begin using it in authentic situations. This is not a conversation class, but a class where we discuss real topics. You will be expected to prepare for each lesson, then come to class ready to express your opinions, listen to other students, and respond fully. For students who participate energetically, this will be an interesting and stimulating class.							
学生が達成すべき行動目標	Through this class, it is hoped the students will be able to achieve the following: - I can improve my general communication skills - I can state my opinion about the topics under discussion - I can show if I agree or disagree with other's opinions - I can clearly express my point of view and explain why I hold that view - I can prepare and make short presentations about various topics
