授業概要	<p>In this English Communication course, you will have two classes each week.</p> <p>COMMUNICATION CLASS: For these classes, the focus will be on communicating in English. We will use the textbook "Conversations in Class", and each week you will work on a different topic. As well as the regular listening and reading activities, you will also spend a lot of time on discussions, group work, interviewing, debating, presenting, and asking and answering questions.
