授業概要	<p>Just as in the 1st semester, in this English Communication course, you will have two classes each week.</p> <p>COMMUNICATION CLASS: For these classes, the focus will be on communicating in English. We will use the textbook "Conversations in Class", and each week you will work on a different topic. As well as the regular listening and reading activities, you will also spend a lot of time on discussions, group work, interviewing, debating, presenting, and asking and answering questions. You will be expected to participate fully in English to get the most out of this course.</p> <p>SKILLS CLASS: In these classes, we will be using the textbook "Uncover 2", and the focus will be on building your skills in English. Each unit of the textbook covers a different topic, and it will probably take 2-3 weeks to complete the work. We will work on vocabulary building, and how to use that vocabulary effectively. We will also work on the four skills of reading, listening, writing, and speaking.</p> <p>NOTE:</p> <ol style="list-style-type: none"> All classes will be taught in English.
