授業概要	<p>In this class, we will work on two areas:</p> <ol style="list-style-type: none"> You will do focused activities within the CHieru e-learning system, learning how to do self-paced English learning to attain targets each month. We will begin to explore English as it is used in such media as the Internet, television, movies, and newspapers. This is in preparation for the work you will do later in the 2nd semester where we will explore this media in greater depth. <p>NOTE:</p> <ol style="list-style-type: none"> All classes will be taught in English. All classes this semester will be conducted online. For online classes, students will need to have an Internet-capable device and access to the Internet. You will also need to install the Zoom app (freely available). Students will need to access the course page on Moodle to check their Zoom times and access details.

具体的な達成の目安								
理想的レベル				標準的なレベル				
An ideal student for this class will use their skills to research media technology, present on it, and if possible, use that technology to create original media. They will also utilise many different media to build their English skills.				Students must work in a self-paced manner to work through the activities each week, and self assess their abilities to ascertain future goals.
