理想的レベル				標準的なレベル				
An ideal student for this class will be someone who is interested in improving their communicative ability in the 4 skills of English. She will need to be enthusiastic, positive, and able to work collaboratively with other students.				Students must think about their own strengths and use them to actively engage with classmates at their highest ability level. They must also recognize their weaknesses and make a concerted effort to grow their skills through self-study and practice.
