授業概要	In this course we will think critically about the news, the media and journalism, their roles within society, and their relationships with our own lives. In order to do this we will read and engage with various news articles in English as well as learn about and discuss actual examples from the past and present. Through this we are aiming to increase our overall English proficiency, knowledge of the world, and our critical media literacy skills. The class schedule may be changed slightly depending on your progress and specific interests.							
学生が達成すべき行動目標	<ol style="list-style-type: none"> 1. Being able to read and understand news articles written in English. 2.
