授業概要	<p>In this Global English course, we will look at what English is, where it came from, and how the cultures that use it have adapted it to their needs. We will do this by using the different aspects of English that you have learned in the various courses over the last three years. We will see how these different aspects fit together and can be used in a global context. If you take this class, please be prepared to research, collaborate, and share with your classmates.</p> <p>All classes will be taught in English.</p> <p>Parts of this course may be held online.</p>							
学生が達成すべき行動目標	<p>Students taking this course will focus on achieving these "I can..." goals:</p> <ul style="list-style-type: none"> - I can understand how the different aspects of English have and continue to shape the language. - I can understand the part that English plays in the many cultures of the world. - I can develop my research skills in order to gain a greater understanding of English in a global context.

具体的な達成の目安								
理想的レベル				標準的なレベル				
An ideal student in this class combines the guidelines they receive with their own creativity, imagination, and confidence to research the relevant material, discuss it, and share with other class members.				Students in this class must listen to the guidelines carefully and incorporate what they learn into reaching the course outcomes. They need to work with others, listen to the feedback they receive, and incorporate this into their results.
