

授業科目	*英語プロジェクトII				実務家教員担当科目	-	
単位	2.	履修	必修	開講年次	3	開講時期	後期
担当教員	Andrew Zitzmann						
授業概要	<p>The aim of this course is to continue from 英語プロジェクト I and further develop discussion and research ability with challenge based learning. Topics will be examined in an active learning environment where the students discuss the issues in more detail and do research to gain a better understanding of the issues associated with the topic. Students are expected to work collaboratively on the various challenges and then share their findings with class members via presentation and discussion in order to offer ways to resolve the challenges that the topics face.</p> <p>All classes will be taught in English. Parts of the course may involve online work.</p>						
授業形態	演習		授業方法	グループワーク、ディスカッション			
学生が達成すべき行動目標							
標準的レベル	<p>It is hoped that students will</p> <ol style="list-style-type: none"> <li>1- improve their ability to discuss matters of substance</li> <li>2- be able to work collaboratively with others to produce a final product</li> <li>3- improve on their research abilities and how to present their findings</li> <li>4- find creative ways to solve problems in a variety of situations</li> </ol> <p>It is expected that the student will share their opinion during discussions. They should participate actively in the discussions. The student should research about a topic and present about it as part of a team.</p>						
理想的レベル	<p>An ideal student is one who freely shares their opinions during discussions. They take the lead in discussions and help get everyone involved. They research a topic deeply and are able to present the material in a clear and easy to understand manner.</p>
