担当教員	Andrew Zitzmann						
授業概要	<p>Following on from your first year, we will again have many opportunities to help you build your English skills beyond the regular classroom activities. This again involves various activities such as online learning (CHIERU), lectures by outside speakers, cultural activities, and activities with students from other year groups.</p> <p>The CHIERU e-learning program aspect of the course gives you extra practice in all the English skills to help you improve your general proficiency.</p> <p>NOTE:</p> <ol style="list-style-type: none"> All classes will be taught in English. Some classes will use online resources and presenters. 						
授業形態	講義、演習			授業方法	グループワーク ディスカッション オンデマンドアクティビティ		
学生が達成すべき行動目標							
標準的レベル	<p>Students taking this class will focus on achieving these goals:</p> <ul style="list-style-type: none"> - Improve their listening and speaking skills through outside class activities - Use their English skills to participate actively in these activities - Improve their confidence in using English - Develop a greater understanding of English-speaking cultures - Develop a wider global perspective <p>Students will need to complete follow-up reports in addition to participating in activities. They will need to monitor their own progress to ensure they have sufficient points to pass the course.</p>						
理想的レベル	An ideal student in this course will participate enthusiastically in as many activities as they can, and focus more on the intrinsic benefits than the grade points. They will also complete the CHIERU assignments in a regular fashion, studying 2-3 times a week rather than a final rush.
