| 標準的レベル       | <p>"Students who successfully complete this course will be able to:</p> <ul style="list-style-type: none"> <li>- use simple grammatical expressions to clearly explain Japanese objects, cultural practices, and concepts covered in the first term</li> <li>- understand and respect cultural differences while also maintaining a personal set of beliefs based on factual information</li> <li>- exhibit critical thinking skills in considering more than one perspective at a time</li> <li>- learn to enjoy using English in a relaxed way while also respecting your classmates and instructor in a positive, collegial, learning environment "</li> </ul> <p>Students must arrive to class on time, and remain awake and engaged with classmates during the 90 minute class period. Students must not interact with any devices (smartphones, etc.) that distract or draw attention away from the class learning objectives. Students must complete all class activities to the best of their abilities. Students must complete all homework in a timely manner and adequately prepare for quizzes and tests in the first term.</p> |           |    |      |           |      |    |
| 理想的レベル       | A ideal student for this class would actively engage with their instructor and peers and use as much English as possible. They would also assist any students who were having trouble understanding. They would be fully attentive at all times and participate enthusiastically in all class activities. They would complete all homework assignments on time and prepare well for all quizzes and exams in the first term.  |           |    |      |           |      |    |
