

授業科目	応用英会話(2年制コース)				実務家教員担当科目	-					
単位	1.	履修	選択	開講年次	1	開講時期	後期				
担当教員	Paul Gareth Steele										
授業概要	In this course, we will build basic skills for beginner to high beginner learners. This class focuses on practical content based lessons which will help develop essential skills used in everyday English.										
授業形態	Communication and comprehension active practice and production		授業方法								
学生が達成すべき行動目標											
標準的レベル	<p>The aims of the course are to help students do the following:</p> <ul style="list-style-type: none"> - Review basic grammatical forms for communicating simple ideas. - Build essential vocabulary needed in everyday English. - Improve receptive skills for both reading and listening. - Become confident in the ability to express ideas in English. <p>Students must think about their own strengths and use them to actively engage with classmates at their highest ability level. They must also recognize their weaknesses and make a concerted effort to grow their skills through self-study and practice.</p>										
理想的レベル	An ideal student for this class will be someone who is interested in improving their communicative ability in the 4 skills of English. She will need to be enthusiastic, positive, and able to work collaboratively with other students.

A basic understanding of English will be necessary to take part in this course. This will include such concepts as the alphabet, colors, basic nouns and verbs, numbers, and so on.

This is a course which you will get a lot out of if you put a lot into it. Your attitudes and enthusiasm are much more important than your English ability!
