

## 2025 年度 授業コード: 12101700

授業科目	＊英語プロジェクトⅡ						実務家教員担当科目	－			
単位	2	履修	必修	開講年次	3		開講時期	後期			
担当教員	Andrew Zitzmann										
授業概要	The aim of this course is to continue from 英語プロジェクトⅠ and further develop discussion and research ability with challenge-based learning. Topics will be examined in an active learning environment where the students discuss the issues in detail and do research to gain a better understanding of the issues associated with the topic. Students are expected to work collaboratively on the various challenges and then share their findings with class members via presentations and discussions in order to offer ways to resolve the challenges that the topics face. All classes will be taught in English. Parts of the course may involve online work.										
授業形態	対面授業				授業方法	グループワーク、ディスカッション					
学生が達成すべき行動目標											
標準的 レベル	It is hoped that students will 1- improve their ability to discuss matters deeply 2- be able to work collaboratively with others to produce a final product 3- improve their research abilities and how to present their findings 4- find creative ways to solve problems in a variety of situations The student should research about a topic and present about it as part of a team. It is expected that students will share their opinions during discussions. They should participate actively in discussions.										
理想的 レベル	An ideal student is one who freely shares their opinions during discussions. They take the lead in discussions and help get everyone involved. They research a topic deeply and are able to present the material in a clear and easy to understand manner.
