授業科目	ツーリズム英会話					実務家教員担当科目	-
単位	2	履修	選択	開講年次	1	開講時期	後期
担当教員	James Hicks						
授業概要	Let's travel the world together! If you're thinking of having a career in the travel industry, or if you just want to travel for fun, this is the class for you! By studying travel specific Vocabulary, Listening, Reading and Role Playing, you will be ready and able to have every day conversations that are essential for working, and playing, in Travel & Tourism.						
	Each unit of the textbook is covered in just two pages, so each week a new and exciting travel related situation can be practiced and learned. Any level of student can have success in this class, especially if they are interested in tourism. Learn skills related to working in restaurants, shops, hotels, airports, train, bus, and even car rental companies. Every week is a new adventure in travel! Note: All classes will be taught in English.						
授業形態	対面授業				授業方法	Face-to-face lessons with both individual learning time and pair/group practice time.	
学生が達成すべき行動目標							
標準的 レベル	Through pair work and individual work the student will gain an understanding of key language and interpersonal communication skills required to work in an international travel setting. The student will also learn from the perspective of both a service provider (tourism staff) as well as a service receiver (customer). In this way, learning will be beneficial for both career and personal travel opportunities. The student will use the textbook, as well as listening audio and vocabulary educational apps posted on the Google Classroom Course Page, to focus and improve upon listening and speaking skills learned in class.						
理想的 レベル	Students of every level can achieve immediate success and will find the course both useful and interesting. The ideal student will be prepared to study the useful unit vocabulary before each class in order to express themselves without hesitation. A little effort will be rewarded with great improvement in this class!

参考図書・教材／データベース・雑誌等の紹介	Assessment for this class will be done throughout the semester using quizzes, presentations, and activities, as well as a final test during the official testing period. As this is a performance based Active Learning class, please be careful to attend regularly.
課題に対するフィードバックの方法	<p>The general skills you have developed through your time studying English will help you prepare for this class. It is essential that students study and review the Unit Vocabulary, as many will be new and all are very specific to the travel industry. To encourage students in their studies, a Vocabulary Review Quiz will be given after every three units (Units 1-3, 4-6, 7-9, 10-12, and 13-14).</p> <p>その他</p> <p>As this is an active learning class, students will receive additional assessment based on in-class subjective performance such as attitude, helping skills, leadership, and responsiveness to both the teacher and classmates. Evaluation of these additional factors will be based on actively attending the class each week.</p>
