

授業科目	基礎英語(A クラス)					実務家教員担当科目	-		
単位	2	履修	選択	開講年次	1	開講時期	前期		
担当教員	James Hicks								
授業概要	This course helps students develop listening and speaking fluency through engaging content and practical exercises. It takes a systematic, step-by-step approach, and the content and exercises put the tools of the language into students' hands as they learn the patterns used in daily life. The topics are related to our personal lives (introductions, family, friends,), our interests (music, movies, shopping), and common discussion topics (abilities, online activities, the future). All classes will be taught in English.								
授業形態	対面授業				授業方法	Active Learning and Blended Learning グループワーク			
学生が達成すべき行動目標									
標準的 レベル	Through pair work, group work and individual work the student will gain an understanding of the use of the language in social situations. The ability to use the language in common situations will increase over time as the student builds on what they have learned and applies these skills. The student will be able to use the textbook as a guide to further improve on listening and speaking skills in order to become a more well-rounded speaker of English.								
理想的 レベル	Overall students will make significant improvements on the basic skills they already possess by using speaking and listening skills in common language situations. Students will increase their confidence and motivation regarding general English usage and oral communication.
